Overview

* indicates a required field

Northern Beaches Council has partnered with The Live Music Office and APRA AMCOS to deliver the Live and Local program - a 12-month project consisting of best practice live music presentation strategies designed to build the capacity of local live music communities and support the growth of the local live music industry long term.

The Live and Local program comprises of:

- the development of a live music data base
- a professional development workshop
- a micro- festival during Creative Open 2024
- an industry forum
- a live music census

Northern Beaches Council is seeking registrations from local (Northern Beaches LGA) venues, musicians, bands and DJs and music businesses for our music data base on Culture Map Live.

By completing this form you will be signed up to project updates for Live and Local Northern Beaches 2024.
